EXPLANATORY SIGNAGE

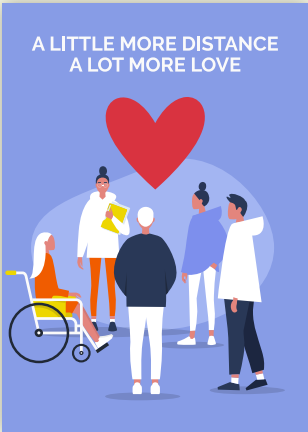

Friendly, colourful **floor stickers**, **posters** and **wall vinyls** with messaging can help students stay safe.

They can be **made to order** and supplied to any specific dimensions.

WALL POSTERS

HAND SANITISER STATIONS

Strategically placed Hand Sanitiser Stations will encourage good hygiene.

FOOT OPERATED FREESTANDING SANITISER UNIT

Foot operated sanitiser pumps eliminate all hand contact with the unit, making it the safest sanitiser option for staff and students.

They are free-standing and require no installation, but can be bolted to the floor for security if required.
